

MARLING SCHOOL

2022 Admissions (Frequently asked questions)

What is the Published Admission Number for Marling School?

150

How does my son gain admission to Marling School?

Marling School is a selective school. To gain a place your child must first sit and achieve the required standard in the Grammar School Entrance Test.

How do I apply to sit the grammar school entrance test?

You must complete a Grammar School Registration to enable your son to sit the entrance test. Information on this will be found on the Marling School website www.marling.school at the appropriate time. If you would like to be added to the Year 5 mailing list, email sc@marling.school with 'REMINDER TO REGISTER 2022' in the subject line. It is preferable for you to register online and all communication can then be by email. However, if you are experiencing problems please contact the school well in advance of the closing date (the school is not open on Saturdays and Sundays). Once you have registered, as we approach the date of the test you will be sent details of timings of the day and what your son should bring.

What is the format of the test?

The test consists of questions on verbal ability (comprehension, vocabulary and verbal reasoning), numerical reasoning and non-verbal reasoning. Instructions are provided by a prepared audio soundtrack. There are two papers each lasting 45 to 50 minutes with additional time for instructions and some worked examples. There will be a break between the papers.

Why do we use the CEM test?

CEM are one of the largest independent providers of educational assessment and monitoring systems in the world. They have been developing selection assessments since 1999, and provide tests for a number of grammar schools in other counties. CEM design their tests to enable all children to demonstrate their academic potential without excessive preparation.

Is it possible to obtain some practice papers/sample questions beforehand?

Familiarisation booklets are available on the school website which gives examples of the sorts of questions used in the test. CEM does not produce commercially available practice materials. Please be aware that materials sold on the internet or provided by tutors, other than CEM familiarisation and practice materials, are not genuine CEM samples.

How should my son prepare for the test?

Beyond the familiarisation material, CEM advise that the best preparation for the tests is to read books that challenge the reader and practise mathematics on a regular basis.

When will I get the results?

In a typical year results are issued in October, prior to the common application form (CAF) deadline of 31 October. As soon as a decision is made on the actual date it will be published on the Marling School website.

How do I apply for a place at Marling School?

You can apply for a place at Marling School by completing the Local Authority's CAF for allocation of school places. If you want your son to come to Marling School we strongly recommend you put Marling as your first preference. The deadline for this is usually 31 October.

Does the school have a catchment area?

Marling School does not have a catchment area.

MARLING SCHOOL

Does the school give priority to candidates from families entitled to claim Pupil Premium (PP)?

Yes, any candidates who meets the qualifying standard will be prioritised if they are eligible to attract low income Pupil Premium funding in accordance with our Admissions Policy. Independent and verifiable evidence of Pupil Premium entitlement will be required prior to sitting the test. Contact the Admissions Officer for details. (Please note this does not include Service Pupil Premium).
