## 16/04/2026: Marling Year 9- 6 vs Farmor's School- 2

The team delivered an outstanding performance, showing great skill, teamwork, and determination throughout the match. From the first whistle, Marling controlled the game, creating chances and applying constant pressure. Their hard work paid off with a series of well-taken goals, reflecting the team's confidence and cohesion on the pitch. Farmor's fought hard and managed to score twice, but Marling remained focused and composed, continuing to dominate play until the final whistle.

It was an excellent all-round performance and a well deserved win, sending the Year 9's through to the final.

Congratulations to Spencer (2), Mitchell, Sebastian, Sam and Joseph who all scored.

## 14/04/2026: Marling Year 11 B Team-0 vs Archway School- 3

The Year 11's travelled to Archway for a friendly in what was a really nice affair with a much changed team. Marling dominated the first half producing some nice moments of attacking play. With no specialist goal keeper Will volunteered to go in goal and made some outstanding saves to keep it level going into the second half. After a tremendous downpour of rain, wind and hail the match turned with our lads struggling to cope with Archway's pressure. Ultimately the result didn't go our way but the team deserve enormous amounts of credit for all the effort and hard work shown during the match and the year.

### **16/04/2026: Marling Year 10- 4 vs Kingshill School- 1**

The Year 10's proved to strong for Kingshill and won their district semi final by 4 goals to 1. The boys started at a very fast tempo and pressed Kingshill's defensive line relentlessly, which led to Jeremiasz converting a free kick after fifteen minutes. The rest of the first half was a closer affair with Kingshill creating a few chances, but Marling held out to finish the first half with a 1-0 advantage. The second half began like the first half which saw Marling score another goal after Jeremiasz converted a penalty. Elliott then scored a third goal after driving through the heart of the Kingshill defence. Kingshill then scored a well worked team goal, before Jake completed the scoring with a well taken header.

Marling will play Rednock in the District Final this Tuesday.

### **14/04/2026: Marling Year 7- 2 vs Archway School- 2**

Our Year 7 footballers enjoyed a fantastic afternoon away at Archway on Tuesday 13th April, where the focus was firmly on participation, enjoyment and teamwork in a friendly fixture. Taking two teams over ensured as many students as possible could be involved, and the atmosphere throughout was positive and full of enthusiasm. The matches provided some excellent moments of football, with exceptional build-up play on display and plenty of chances created by both sides. The students showed great teamwork, movement and creativity, making the most of the opportunity to express themselves in a relaxed and supportive environment. A standout moment came when George calmly slotted home a beautifully worked team goal, the result of sharp passing and intelligent movement.

Beyond the football itself, the students thoroughly enjoyed the experience of being the first competitors to play on Archway's brand-new astroturf pitch, adding even more excitement to the occasion. Smiles all round at the final whistle reflected just how much fun the students had.

### **14/04/2026: Marling Year 8- 2 vs Farmor's School- 2 (Farmors 6- Marling 5 on penalties)**

The Year 8 Football team were knocked out of the District semi-finals after a very tightly contested affair vs Farmor's. Marling dominated the ball throughout the match, however, some swift counter attacking play from Farmor's saw them lead the first half 2-0 with some brilliantly worked goals. Marling had it all to do with 15 minutes left. They dug in deep and scored two fantastic goals with minutes left to send the game to penalties. Congratulations to Jarvis and Olly for their excellent finishing.

Farmor's eventually won the game 6-5, and we wish them the best of luck in the final.
